

# Kellett School, The British International School in Hong Kong

## Overview:

- Kellett School is a not-for-profit organisation.
- Termly school fees cover the school's running costs but not its capital costs.
- All students whilst at Kellett School must be covered by a debenture (see Debenture Guidelines for exceptions).
- Debentures were introduced to help finance the building of the school, the acquisition of equipment and other capital items.
- Kellett School has a waitlist in place for some years. Contact Admissions for further information.

## Debentures Available:

The information below gives an overview of the Debentures currently available. Please see individual terms & conditions for full information.

Debenture Type	Description	Price	Lifespan	Depreciable	Redeemable	Sibling Priority
<b>Individual Debenture</b>	Any student who is not nominated against a Corporate Debenture or Debenture from the Foundation Pool must be nominated to an Individual Debenture.	HK\$120,000	7 Years	Yes	Yes	Yes
<b>Sixth Form Capital Contribution</b>	For those students accepting a place in Sixth Form, there is the option to pay the non-refundable Capital Contribution in place of the Individual or Corporate Debenture.	HK\$48,000	2 Years	No	No	Yes
<b>Depreciating Corporate Debenture (DCD)</b>	A DCD holder is entitled to nominate one child to the School at any one time. Nomination accelerates the child's place on the wait list, but does not guarantee a place. DCD status is below that of siblings.	HK\$650,000	8 Years	Yes	Yes	Only with additional DCDs
<b>Foundation Certificate (FC)</b>	A Foundation Certificate holder is entitled to nominate one child to the School at any one time. A nominated child, upon application, will be allocated the highest priority.	HK\$5,000,000	15 Years	No	No	Only with a sibling FC

\*All applicants are required to meet the Curriculum Requirement, as stated in the Admissions Policy, irrespective of Debenture Cover.
